

TIRED OF MAKING COPIES AND SERVING COFFEE AT YOUR SUMMER JOB?

APPLY NOW FOR OUR SUMMER INTERNSHIP PROGRAM

Our summer internship is all about putting the theory into practice. Over the course of four weeks, you'll work as an active member of the team on big international cases - even accompanying us to client meetings and negotiations from day one.

We think that's a lot more useful than working on case studies or shuffling papers around. It is also a chance for you to find out if you are made for a career as a lawyer and if the place is right for you. In order to accompany this decision process your internship will include comprehensive assessment and feedback sessions through our HR experts as well as your personal mentor.

We are seeking to recruit around 30 ambitious and motivated students and graduates who are striving to experience working in a leading international law firm in July, August or September.

Send us your application online including CV, motivation letter and certificates! The application deadline is 28 February 2011.
